MICHAEL B. AUERBACH, D.O., M.B.A.

Summary:

As a Diplomate of the American Board of Anesthesiology (Board Certified) in Pain Medicine and Anesthesiology, I pride myself on delivering high-quality, comprehensive care to patients in pain. I possess an unrestricted Florida medical license, a clean malpractice history, and a full DEA registration so there are no barriers to providing care. I am up to date on latest evidence-based therapies in Pain Medicine and Anesthesiology and I am considered an excellent resource for patients, colleagues, staff, and the community. I practice efficiently and I am very comfortable working in a busy, fast-paced practice. I am also experienced working with a wide payor mix, including: Medicare, private payers, workman's compensation, and medico-legal cases.

Professional Experience:

Florida Spine Associates 12/2017 – Present

Interventional procedures: Nerve Blocks, Radiofrequency Ablations, Epidural Injections, Spinal Cord Stimulation - Trial & Implants, Vertebral Augmentation, Joint Injections, etc…

Medication management: multimodal medication management of pain conditions

Multidisciplinary approach – utilization and coordination of medical, physical, and psychosocial therapies for pain conditions

Medical staff privileges at Boca Raton Regional Hospital and West Boca Medical Center

ASAP Pain Relief Center, PLLC 07/2017 – Present

Independent contractor providing pain medicine services: Fakhoury Medical & Chiropractic, Liberate Medical MMJ, & Freedom Pain Management

Management and supervision of mid-level providers (ARNP & CRNAs)

Pain Medicine Group 07/2015 – 07/2017

Multidisciplinary management of complex chronic and acute pain conditions

Doctors Hospital of Sarasota

Medical Education and Training:

Pain Medicine Fellowship, University of Florida 2014 - 2015

Anesthesiology Residency, University of Miami 2011 - 2014

Traditional Rotating Internship, Palmetto General Hospital 2010 - 2011

Doctor of Osteopathic Medicine, Nova Southeastern University 2006 - 2010

Education:

Case Western Reserve University, Cleveland, OH — 12/2015
Biochemistry Coursework (Graduate Level)

Cleveland State University, Cleveland, OH — 08/2003
Master of Business Administration

Ohio University, Athens, OH — 03/1997
Bachelor of Biological Sciences

Previous Professional Experience:

Case Western Reserve University, Research Assistant III — 01/2005–07/2006

Edward Jones Investments, Investment Representative — 06/2004 - 12/2004

The Cleveland Clinic Foundation, Senior Research Technologist — 04/1998 – 05/2004

Professional Certifications and Memberships:

American Board of Anesthesiology- Certification in Anesthesiology

American Board of Anesthesiology- Subspecialty Certification in Pain Medicine

ASIPP, AAPM, ASA, FSIPP, FSA, AMA, AOA

Presentations:

UF Pain Grand Rounds, Gainesville, FL — 2015
Neurostimulation – overview and update

American Academy of Pain Medicine, Washington, D.C — 2015
Sacral Nerve Root Stimulation

GATOR RAP Workshop, Gainesville, FL — 2015
Difficult Epidural Access

American Society Anesthesiologists Annual Meeting, San Francisco, CA
Complications of Cardiac Lead Extraction — 2013

Cleveland Clinic Research Day, Cleveland, Ohio — 1999 – 2003
Poster Presentations

Autumn Immunology Conference, Chicago, Illinois — 2000- 2002
Oral & Poster Presentations

Awards and Achievements:

Proud family man and father of 4 children

Brazilian Jiu Jitsu Black Belt

Member, Beta Gamma Sigma – The International Business Honor Society

Ohio HS State Wrestling Champion, HS All-American, & College Wrestling Champion

Enjoy fishing, mountain bike riding, Sports, and Outdoor activities

Research Projects and Publications:

Auerbach MB, and Liedtke, CM: Role of the scaffold protein RACK1 in apical expression of CFTR. 2007. *Am J Physiol Cell Physiol* Vol. 293: pp 294-304

Auerbach MB, Kish DD, Farber J, Fairchild RL: Delayed rejection of MIG-deficient class II MHC mismatched skin allografts.

Silverman RH, Zhou A, Auerbach MB, Kish D, Gorbachev A, Fairchild RL: Skin allograft rejection is suppressed in mice lacking the antiviral enzyme, 2',5' oligoadenylate-dependent RNase L. 2002.*Viral Immunol* Vol.15: pp77-83

Kondo T, Morita K, Watari Y, Auerbach MB, Tuab D, Novick A, Toma H, Fairchild RL: Early increased chemokine expression and production in murine allogeneic skin grafts is mediated by natural killer cells. *Transplantation* 69:969-977, 2000

Koga S, Auerbach MB, Engeman TM, Novick AC, Toma H, Fairchild RL: T cell infiltration into class II MHC disparate allografts and acute rejection is dependent on the IFN-γ induced chemokine MIG. *J Immunology* 163:4878-4885, 1999

Auerbach MB, Kobayashi H, Kondo T, Armstrong D, Hamilton TA, Fairchild RL: Epidermal T-cells regulate IP-10 expression during acute rejection of allogeneic skin grafts.

MICHAEL B. AUERBACH, D.O., M.B.A.

SUMMARY:

Compassionate physician delivering high quality care to patients suffering from pain. ABA Certified in Pain Medicine and Anesthesiology, with an unrestricted Florida medical license and DEA registration. Up to date on latest evidence-based therapies in Pain Medicine and Anesthesiology. Respected resource for patients, colleagues, staff, and the community. Currently working in fast paced private practice; efficient and profitable.

PROFESSIONAL EXPERIENCE:

Pain Medicine Group 07/2015 – Present

Multi-disciplinary Pain Medicine

- Interventional procedural skills: Nerve Blocks, Radiofrequency Ablations, Epidural Injections, Spinal Cord Stimulation (trials and implantation), Vertebral Augmentation, Sympathetic Blocks, Joint Injections, Ultrasound Guided Blocks
- Coordination of medical, physical, and psychosocial therapies for pain conditions
- Management and supervision of mid-level providers (ARNP & CRNAs)

MEDICAL EDUCATION AND TRAINING:

Pain Medicine Fellowship, University of Florida (2014 - 2015)
Anesthesiology Residency, University of Miami (2011 - 2014)
Traditional Rotating Internship, Palmetto General Hospital (2010 - 2011)
Doctor of Osteopathic Medicine, Nova Southeastern University - College of Osteopathic Medicine, Ft. Lauderdale, FL (2006 - 2010)

EDUCATION:

Case Western Reserve University, Cleveland, OH
Biochemistry Coursework (Graduate Level) 12/2005
Cleveland State University, Cleveland, OH
Master of Business Administration 08/2003
Ohio University, Athens, OH
